

**Jennifer L. Maclachlan, Managing Director
PID Analyzers, LLC
Chair, AIHA Teen Workplace Health & Safety Committee**

As a co-owner of her family owned and operated real-time gas detection manufacturing business, PID Analyzers, LLC, Jennifer Maclachlan is responsible for managing relationships with distributors and key clients as well as the web-based marketing, social, and digital media initiatives, of which she was an early adopter.

In 2020, Maclachlan became Chair of the AIHA Teen Workplace Health & Safety Committee after completing three years of service to AIHA as Chair of their Teen Workplace Health & Safety Task Force. Maclachlan is currently serving as a Member of the American Chemical Society (ACS) Committee on Chemical Safety.

In her local community on Cape Cod, Maclachlan is well known for organizing award-winning STEM activities for all ages under the Cape Cod Science Cafe and STEM Journey branding. Maclachlan completed service as Rear Commodore during the summer 2020 season at the local Yacht Club where she was in charge of running daily operations at the grill employing a teenage workforce.
