

**Maryann D'Alessandro, Ph.D.** Maryann has served as the Director of the National Institute for Occupational Safety and Health (NIOSH) National Personal Protective Technology Laboratory (NPPTL) since March 2012. She also served as the Associate Director for Science for NPPTL from 2003-2012. Maryann provides leadership to the NIOSH Personal Protective Technology (PPT) Core and Specialty Program and the Public Safety Program where she serves as the Manager leading the effort to align PPT initiatives with user needs across all workplace industry sectors. Within the PPT Program, Maryann has served as the catalyst for aligning surveillance, research, standards, certification, outreach and intervention activities to improve workplace safety and health. Prior to

joining NIOSH in 2003, she had a short academic career at the University of Pennsylvania's Department of Bioengineering and served in various U.S. Army research and development organizations for 15 years. Maryann holds Electrical Engineering degrees from the Florida Institute of Technology (B.S.), Fairleigh Dickinson University (M.S.), and Georgia Institute of Technology (Ph.D.).
